We want this to be a positive and comfortable experience for both child and parent. Sending your child to camp for the first time can be a difficult experience for both child and parent. This is why we are planning camp so close to home. Upon registration a contact # will be provided to you that you will be able to access 24/7 during camp to check on your child and for your child to make necessary communication with you.

What will my child be learning about God & Faith @ Camp

We will be using age appropriate curriculum that is specially designed for summer camp experiences. Following is a brief excerpt from the introduction to the curriculum, titled “On the Way,” that should give you insight into the teaching that will take place during Camp.

“Whether walking, wandering, fleeing, or traveling along the way, biblical characters are constantly on a journey of faith with God. This summer campers will hear the stories of the journeys taken by God’s people. They will be invited to take their own journeys – to camp - within the camp community - and back home.”
